Who Was Abigail Adams

The Book of Abigail and John Abigail Adams was the equal of her husband, President John Adams, in many ways. She had strong views about women's rights and slavery, and she let him know exactly how she felt. Her strength and wisdom left a lasting mark on the fledgling U.S.

Unruly Americans and the Origins of the Constitution It is not uncommon to hear Christians argue that America was founded as a Christian nation. But how true is this claim? In
this compact book, David L. Holmes offers a clear, concise and illuminating look at the spiritual beliefs of our founding fathers. He begins with an informative account of the religious culture of the late colonial era, surveying the religious groups in each colony. In particular, he sheds light on the various forms of Deism that flourished in America, highlighting the profound influence this intellectual movement had on the founding generation. Holmes then examines the individual beliefs of a variety of men and women who loom large in our national history. He finds that some, like Martha Washington, Samuel Adams, John Jay, Patrick Henry, and Thomas Jefferson's daughters, held orthodox Christian views. But many of the most influential figures, including Benjamin Franklin, George Washington, John and Abigail Adams, Jefferson, James and Dolley Madison, and James Monroe, were believers of a different stripe. Respectful of Christianity, they admired the ethics of Jesus, and believed that religion could play a beneficial role in society. But they tended to deny the divinity of Christ, and a few seem to have been agnostic about the very existence of God. Although the founding fathers were religious men, Holmes shows that it was a faith quite unlike the Christianity of today's evangelicals. Holmes concludes by examining the role of religion in the lives of the presidents since World War II and by reflecting on the evangelical resurgence that helped fuel the reelection of George W. Bush. An intriguing look at a neglected aspect of our history, the book will appeal to American history buffs as well as to anyone concerned about the role of religion in American culture.

The Ninth Daughter Average Americans Were the True Framers of the Constitution Woody Holton upends what we think we know of the Constitution's origins by telling the history of the average Americans who challenged the framers
of the Constitution and forced on them the revisions that produced the document we now venerate. The framers who gathered in Philadelphia in 1787 were determined to reverse America's post–Revolutionary War slide into democracy. They believed too many middling Americans exercised too much influence over state and national policies. That the framers were only partially successful in curtailing citizen rights is due to the reaction, sometimes violent, of unruly average Americans. If not to protect civil liberties and the freedom of the people, what motivated the framers? In Unruly Americans and the Origins of the Constitution, Holton provides the startling discovery that the primary purpose of the Constitution was, simply put, to make America more attractive to investment. And the linchpin to that endeavor was taking power away from the states and ultimately away from the people. In an eye-opening interpretation of the Constitution, Holton captures how the same class of Americans that produced Shays's Rebellion in Massachusetts (and rebellions in damn near every other state) produced the Constitution we now revere. Unruly Americans and the Origins of the Constitution is a 2007 National Book Award Finalist for Nonfiction.

Familiar Letters of John Adams and His Wife Abigail Adams, During the Revolution A biography of the woman who was the wife of the second president of the United States and the mother of the sixth president.

Abigail Adams: Letters (LOA #275) Adams is remembered for the many letters she wrote to her husband while he stayed in Philadelphia, Pennsylvania, during the Continental Congresses. John frequently sought the advice of Abigail on many matters, and their letters are filled with intellectual discussions on government and politics. The letters serve as
eyewitness accounts of the American Revolutionary War home front.

Abigail and John Wife of one president and mother of another, Abigail Adams was an extraordinary woman living at an extraordinary time in American history. A tireless letter writer and diarist, her penetrating and often caustic impressions of most of the major persons of her day--including Ben Franklin, George and Martha Washington, Thomas Jefferson, Alexander Hamilton, and King George III, among others--provide one of the best first-hand accounts of the American Revolution. This biography, researched and written over a fourteen-year period, is a fascinating portrait of a brilliant woman at the center of the founding of the American republic.

Abigail Adams and Her Times Presents a collection of letters between John and Abigail Adams that chronicle their lives and the events that surrounded them.

Abigail Adams, Pirate of the Caribbean What makes Abigail Adams such an amazing American? Young readers will find out in this intriguing biographical book that uses supportive text, a glossary, index, and table of contents in conjunction with colorful images to engage and encourage children to find someone that they are inspired by.

My Dearest Friend The creators of A Picture Book of Dolley and James Madison explore the lives of another president and first lady: John Adams, who was America's first vice president and second president; and Abigail Adams, his "fellow Laborer" and most trusted adviser.

First Ladies of the Republic The Pulitzer Prize–winning, best-
selling author of Founding Brothers and His Excellency brings America’s preeminent first couple to life in a moving and illuminating narrative that sweeps through the American Revolution and the republic’s tenuous early years. John and Abigail Adams left an indelible and remarkably preserved portrait of their lives together in their personal correspondence: both Adamses were prolific letter writers (although John conceded that Abigail was clearly the more gifted of the two), and over the years they exchanged more than twelve hundred letters. Joseph J. Ellis distills this unprecedented and unsurpassed record to give us an account both intimate and panoramic; part biography, part political history, and part love story. Ellis describes the first meeting between the two as inauspicious—John was twenty-four, Abigail just fifteen, and each was entirely unimpressed with the other. But they soon began a passionate correspondence that resulted in their marriage five years later. Over the next decades, the couple were separated nearly as much as they were together. John’s political career took him first to Philadelphia, where he became the boldest advocate for the measures that would lead to the Declaration of Independence. Yet in order to attend the Second Continental Congress, he left his wife and children in the middle of the war zone that had by then engulfed Massachusetts. Later he was sent to Paris, where he served as a minister to the court of France alongside Benjamin Franklin. These years apart stressed the Adamses’ union almost beyond what it could bear: Abigail grew lonely, while the Adams children suffered from their father’s absence. John was elected the nation’s first vice president, but by the time of his reelection, Abigail’s health prevented her from joining him in Philadelphia, the interim capital. She no doubt had further reservations about moving to the swamp on the Potomac when John became president, although this time he
persuaded her. President Adams inherited a weak and bitterly divided country from George Washington. The political situation was perilous at best, and he needed his closest advisor by his side: “I can do nothing,” John told Abigail after his election, “without you.” In Ellis’s rich and striking new history, John and Abigail’s relationship unfolds in the context of America’s birth as a nation.

Amazing Americans: Abigail Adams A portrait of the supportive wife of President John Adams details the life of this extraordinary woman who used her love for learning, for her family, and for her country to shape the early history of the United States.

I Am Abigail Adams In this inspiring tribute, award-winning author Barb Rosenstock and New York Times bestselling artist Elizabeth Baddeley tell the true story of one of America's greatest founding mothers: Abigail Adams. Everyone knew Abigail was different. Instead of keeping quiet, she blurted out questions. Instead of settling down with a wealthy minister, she married a poor country lawyer named John Adams. Instead of running from the Revolutionary War, she managed a farm and fed hungry soldiers. Instead of leaving the governing to men, she insisted they "Remember the Ladies." Instead of fearing Europe's kings and queens, she boldly crossed the sea to represent her new country. And when John become President of the United States, Abigail became First Lady, and a powerful advisor. Leave it to Abigail--an extraordinary woman who surprised the world.

Abigail Adams Creates an authoritative portrait of Abigail Adams that captures her diverse roles as a prolific writer, First Lady, fighter for independence and equality, abolitionist, mother, and wife and confidante of John Adams, based on
her letters. Reprint. 75,000 first printing.

The Quotable Abigail Adams Shares the light perspectives of the second president's wife on a wide range of subjects as drawn from her personal writings, categorizing entries under such subjects as human nature, politics, and family life while providing accompanying biographical and source information.

Dearest Friend Reveals how the European travels of John and Abigail Adams helped define what it meant to be an American. From 1778 to 1788, the Founding Father and later President John Adams lived in Europe as a diplomat. Joined by his wife, Abigail, in 1784, the two shared rich encounters with famous heads of the European royal courts, including the ill-fated King Louis XVI and Queen Marie-Antoinette, and the staid British Monarchs King George III and Queen Charlotte. In this engaging narrative, A View from Abroad takes us on the first full exploration of the Adams's lives abroad. Jeanne E. Abrams reveals how the journeys of John and Abigail Adams not only changed the course of their intellectual, political, and cultural development—transforming the couple from provincials to sophisticated world travelers—but most importantly served to strengthen their loyalty to America. Abrams shines a new light on how the Adamses and their American contemporaries set about supplanting their British origins with a new American identity. They and their fellow Americans grappled with how to reorder their society as the new nation took its place in the international transatlantic world. After just a short time abroad, Abigail maintained that, "My Heart and Soul is more American than ever. We are a family by ourselves." The Adamses' quest to define what it means to be an American, and the answers they discovered in their time abroad, still resonate with us to this day.
Partner in Revolution

Letters of Mrs. Adams Offers readers an inside look into the life of Abigail Adams and how she influenced the nation as First Lady. Learn all about her progressive stance on women's rights in the 1700s, and her campaign for education rights for all. Additional features include a Fast Facts spread, critical thinking questions, primary source quotes and accompanying source notes, a phonetic glossary, an index, an author introduction, and sources for further research.

Abigail Adams Abigail Adams was a strong woman far ahead of her time. She urged her husband, President John Adams, to "remember the ladies" and despite having no formal education herself, she later advocated for equal education in public schools for both boys and girls. She was also the first First Lady to live in the White House! This biography tells the story of Abigail Adams and her role in America's Revolutionary War period.

Who Was Abigail Adams? Presents a biography of Abigail Adams (1744-1818), wife of the second president of the United States, John Adams, and mother of the sixth, John Quincy Adams. This work tells not only of her extraordinary life but of the major political and social developments of the time. Adams's life is one of the most documented of the first ladies: she is remembered for the many letters she wrote to her husband while he stayed in Philadelphia, Pennsylvania, during the Continental Congresses. John frequently sought the advice of Abigail on many matters, and their letters are filled with intellectual discussions on government and politics. The letters serve as eyewitness accounts of the American Revolutionary Warhome front.
Abigail Adams Annotation Here, at last, Is the biography that Abigail Adams has long deserved one that puts her, rather than her husband, at its center, and which interprets her life in light of both its eighteenth-century context and recent feminist scholarship. Gelles brings new insights to familiar topics like the Adamss marriage and Abigails wartime role; explains more fully than previous scholars such incidents as the failed courtship of Royall Tyler and Abigail Junior; and examines with sensitivity hitherto little-known episodes like that of Abigails epistolary flirtation with James Lovell during the Revolution or Abigail Juniors mastectomy in 1811. In short, this is a remarkable achievement, far surpassing all earlier attempts to capture the essence of the woman who was one of early Americas greatest letter-writers. Mary Beth Norton Edith Gelles has written a deeply interesting book about Abigail Adams. she is careful to reconstruct the eighteenth-century environment of Abigail Adams. De. Gelles is a careful historian of eighteenth-century America and a thoughtful biographer. She has given us a fresh examination of Abigail Adams which will stimulate in helpful ways additional research and discussion. Robert Middlekauf In this important and fascinating biography, Edith Gelles not only restores Abigail Adams to her rightful place at the center of her own story, she challenges the creaky conventions of traditional male-defined biography. Portia breaks ranks with the biographers twiceby refusing to treat Abigail Adams as a reflection of her husband and by refusing to force her lifes story into an artificially linear narrative. In this masterful work, Edith Gelles reconceptualizes and revolutionizes the very notion of biography by capturing experience as it truly unfolds in so many womens lives as a collage of overlapping and circular impressions and feelings, rather than a relentless climb up a ladder of public ambition. Susan Faludi The best biography of Abigail Adams in print. By keeping the spotlight
on Mrs. Adams and sensitively evaluating her in eighteenth-century terms, Edith Gelles provides the most rounded portrait yet of this important woman. Patricia U. Bonomi Edith B. Gelles uses the revolutionary years as the backdrop of this sensitive study, And The political events as the drama in which the players act out well-defined roles. [Gelles] story of relationships, networks, and power in the context of Abigail's eighteenth-century world is truly a superb accomplishment. American Historical Review Adamss strength, courage, and wit emerge more fully than they have in any previous work. [Gelles] has succeeded in providing a well-rounded portrait of a remarkable figure. Choice Portia Is a refreshing change of pace. [Edith Gelles] is affectionate yet scholarly, determined to present Adams as a strong character who was very much a woman of her time, not merely a liberated precursor to feminism or the little wife behind the great man. San Francisco Chronicle Portia, The first woman-centered biography of Abigail Adams, details the issues, events, and relationships that informed Adamss life. The portrait that emerges also describes women like her during the Revolutionary era. Much of Abigail Adamss independent reputation derives from the letters that she wrote for over a half-century. Personal and eloquent, they provide unusual access to her private life and capture the social conventions, politics, and people of her age. The letters describe her domestic sphererelationships with her sisters, her daughter and sons, and friends such as Thomas Jefferson. Her marriage to John Adams is considered in the context of the patria.

John & Abigail Adams The story of the Adamses as lovers, domestic partners, and patriots comes to life in this collection of their intimate correspondence.
Abigail Adams Abigail Adams was an unusually accomplished letter writer. Spirited and insightful, her correspondence offers a unique vantage on historical events in which her family played so prominent a role, while bringing vividly to life the everyday experience of American women in the eighteenth and early nineteenth centuries. Here are 430 letters—more than a hundred published for the first time—to John Adams, John Quincy Adams, Thomas Jefferson, Mercy Otis Warren, James and Dolley Madison, and Martha Washington, among many others. Including her famous call to “Remember the Ladies,” letters from the 1760s and 1770s offer an unrivalled portrait of the American Revolution on the home front. Travel to Europe in the 1780s opens a grand new field for her talents as social commentator and political advisor while her roles as vice presidential and presidential wife place her at the very heart of the nation’s founding. Also included are a chronology of Adams’s life, detailed notes, and extensively researched family trees. This volume is published simultaneously with John Adams: Writings from the New Nation 1784–1826, the third and final volume in the Library of America John Adams edition. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation’s literary heritage by publishing, and keeping permanently in print, America’s best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Abigail Adams

Using simple language that beginning readers can understand, this lively, inspiring, and believable
biography looks at the childhood of Abigail Adams. Illustrated throughout.

Abigail Adams A biography of the wife of President John Adams detailing her personal life, and social and historical developments.

Leave It to Abigail! Depicts the lives of the Adams women, including Abigail Adams, and her sisters Mary Cranch and Elizabeth Shaw Peabody, Nabby Adams Smith, Nancy Harrod Adams, and Louisa Johnson Adams.

A Picture Book of John and Abigail Adams In this book, Edith B. Gelles asserts that Abigail Adams' vivid, insightful letters are "the best account that exists from the pre to the post-Revolutionary period in America of a woman's life and world." Adams' spontaneous, witty letters serve dual purposes for the modern reader: it provides an intriguing first hand account of pivotal historical events and it shows how these events from the Boston Tea Party to the War of 1812 entered the private sphere. Included in the book is a chronology, notes and reference section and a selected bibliography. This book will be a must for all scholars of American literature, history and politics seeking to understand this literary figure.

Abigail Adams Abigail Adams was an extraordinary woman who witnessed the gathering storm of the American Revolution and saw the battle of Bunker Hill from a hilltop near her home. Through her letters to friends and family, Abigail Adams lives in history--and now in this award-winning biography by Natalie Bober. Black & white illustrations.

The Letters of John and Abigail Adams WARNING: DO NOT BELIEVE THE STORY YOU'RE ABOUT TO READ. Well,
you can believe some of it. There is some real history. But also hijinks. Time travel. And famous figures setting off on adventures that definitely never happened—till now. Time is getting twisted, and it’s up to two kids to straighten things out. Abraham Lincoln may have returned to history books, but other historical figures saw what he did—and now they know they can escape from their times, too. When Abigail Adams decides there’s more to life than doing chores in the White House, she joins a crew of Caribbean pirates! Can siblings Abby and Doc set history straight? Or will they be the ones who need to be rescued? Abigail Adams, Pirate of the Caribbean, is a chapter book in the Time Twisters series by award-winning author Steve Sheinkin about what happens when a famous First Lady tires of life in the White House. Also check out Abraham Lincoln, Pro Wrestler! This title has Common Core Connections.

Abigail Adams, an American Woman Look for Dan Abrams and David Fisher’s new book, Kennedy’s Avenger: Assassination, Conspiracy, and the Forgotten Trial of Jack Ruby. *NOW A NEW YORK TIMES BESTSELLER* “An expert, extremely detailed account of John Adams’ finest hour.”—Kirkus Reviews Honoring the 250th Anniversary of the Boston Massacre The New York Times bestselling author of Lincoln’s Last Trial and host of LivePD Dan Abrams and David Fisher tell the story of a trial that would change history. An eye-opening story of America on the edge of revolution. History remembers John Adams as a Founding Father and our country’s second president. But in the tense years before the American Revolution, he was still just a lawyer, fighting for justice in one of the most explosive murder trials of the era—the Boston Massacre, where five civilians died from shots fired by British soldiers. Drawing on Adams’s own words from the trial transcript, Dan Abrams and David Fisher
transport readers to colonial Boston, a city roiling with rebellion, where British military forces and American colonists lived side by side, waiting for the spark that would start a war.

The Adams Women An 8x8 book with 2 sticker sheets based on an episode from the PBS KIDS animated television series Xavier Riddle and the Secret Museum starring Abigail Adams. Based on the children's book series Ordinary People Change the World by New York Times bestselling author Brad Meltzer and illustrator Christopher Eliopoulos, the series will introduce kids to inspiring historical figures and the character virtues that helped them succeed. When Yadina, Brad, and Xavier need help solving a problem, they head to the Secret Museum for help! They're sent back in time to 1754 to meet one of the United States' Founding Mothers: Abigail Adams. This episode-based 8x8 will focus on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves.

Portia 1773: The Massachusetts colony is torn between patriots who want independence from British rule and loyalists who support the King. At the center is the educated and beautiful Abigail Adams—wife of John Adams, a leader of the Sons of Liberty, the secret organization opposing the Crown. And when her husband is accused of murder, she must work to clear his name.

Abigail Adams How the three inaugural First Ladies defined the role for future generations, and carved a space for women in America America’s first First Ladies—Martha Washington, Abigail Adams, and Dolley Madison—had the challenging task of playing a pivotal role in defining the nature of the American presidency to a fledgling nation and to the world. In First
Ladies of the Republic, Jeanne Abrams breaks new ground by examining their lives as a group. From their visions for the future of the burgeoning new nation and its political structure, to ideas about family life and matrimony, these three women had a profound influence on one another’s views as they created the new role of presidential spouse. Martha, Abigail and Dolley walked the fine line between bringing dignity to their lives as presidential wives, and supporting their husbands’ presidential agendas, while at the same time, distancing themselves from the behavior, customs and ceremonies that reflected the courtly styles of European royalty that were inimical to the values of the new republic. In the face of personal challenges, public scrutiny, and sometimes vocal criticism, they worked to project a persona that inspired approval and confidence, and helped burnish their husbands’ presidential reputations. The position of First Lady was not officially authorized or defined, and the place of women in society was more restricted than it is today. These capable and path-breaking women not only shaped their own roles as prominent Americans and “First Ladies,” but also defined a role for women in public and private life in America.

A Companion to John Adams and John Quincy Adams

Abigail Adams Draws on thirty years of research into the famous letters between John and Abigail Adams to profile their more than half-century relationship, exploring the ways in which their marriage was shaped by the Revolution, their social and political influence, and the sacrifices they made on behalf of the country.

A View from Abroad Explores the unique partnership of American statesman John Adams and his wife Abigail, using excerpts from the couples letters.
The Faiths of the Founding Fathers A Companion to John Adams and John Quincy Adams presents a collection of original historiographic essays contributed by leading historians that cover diverse aspects of the lives and politics of John and John Quincy Adams and their spouses, Abigail and Louisa Catherine. Features contributions from top historians and Adams’ scholars Considers sub-topics of interest such as John Adams’ role in the late 18th-century demise of the Federalists, both Adams’ presidencies and efforts as diplomats, religion, and slavery Includes two chapters on Abigail Adams and one on Louisa Adams

John Adams Under Fire Winner of the Bancroft Prize The New York Times Book Review, Editor’s Choice American Heritage, Best of 2009 In this vivid new biography of Abigail Adams, the most illustrious woman of the founding era, Bancroft Award–winning historian Woody Holton offers a sweeping reinterpretation of Adams’s life story and of women’s roles in the creation of the republic. Using previously overlooked documents from numerous archives, Abigail Adams shows that the wife of the second president of the United States was far more charismatic and influential than historians have realized. One of the finest writers of her age, Adams passionately campaigned for women’s education, denounced sex discrimination, and matched wits not only with her brilliant husband, John, but with Thomas Jefferson and George Washington. When male Patriots ignored her famous appeal to "Remember the Ladies," she accomplished her own personal declaration of independence: Defying centuries of legislation that assigned married women’s property to their husbands, she amassed a fortune in her own name. Adams’s life story encapsulates the history of the founding era, for she defined herself in relation to the people she loved or hated (she was never neutral), a cast of
characters that included her mother and sisters; Benjamin Franklin and James Lovell, her husband’s bawdy congressional colleagues; Phoebe Abdee, her father’s former slave; her financially naïve husband; and her son John Quincy. At once epic and intimate, Abigail Adams, sheds light on a complicated, fascinating woman, one of the most beloved figures of American history.

First Family Profiles the life and accomplishments of First Lady Abigail Adams, especially her work on behalf of women's rights and education; includes study and discussion questions.

Abigail Adams - Living a new female role Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Regensburg, 7 entries in the bibliography, language: English, abstract: Can Abigail Adams truly be regarded as a revolutionary of that time? Did she act in a revolutionary way? Did she even create a new female role during the American Revolution? If so, in what perspectives was this role revolutionary and new? In order to answer these questions and investigate upon her conduct, the letters of Abigail and her husband between 1774 and 1777 will be the focus of this paper; they will be analyzed and interpreted in terms of the new female role. This corpus of letters is taken out of The Book of Abigail and John (1975). Herein the focus lies on Abigail's perspective, on her perception and account of war experiences and on her thoughts and opinions about government and politics. In addition to this, John’s letters have to be taken into account as well, as he represents the addressee Abigail is writing to. His letters and the way he addresses her, the topics and his experiences he mentions and the advice he asks from his wife or gives to her, do shed light onto the person of Abigail
Adams as well as influenced her.
